

Doncaster Keeping Safe Forum

About us: We are a friendly, approachable community forum that any adult in Doncaster can join

Our Aim: We aim to support adults in Doncaster to keep safe from all types of abuse

How will we do this: We are working with the Doncaster Safeguarding Adults Board (DSAB) to:

See what is going on in our community and what is needed to keep safe

Hear what is happening in our community and what people need to keep safe

Speak out - tell the DSAB what is happening in the community

Do something about it – let people know about keeping safe and how to report abuse

We meet once a month to learn and share information. To find out more about the forum please contact:

Support to enable all to take part will be provided.
