From 1 April 2012, the Local Housing Allowance rates are issued once a year, not every month. This means the April 2018 rates apply until the end of March 2019. The next new rates will be issued in January 2019 to apply from 1 April 2019.

From 1 April 2011, the Local Housing Allowance rates reduced to a lower amount so that about 3 in 10 properties for rent in the area should be affordable to people on Housing Benefit, rather than 5 in 10 properties previously. Also, if your household needs more than 4 bedrooms, the maximum Local Housing Allowance rate that will apply is the 4 bedroom rate.
