Further information on listed buildings can be viewed on our webpage **Frequently Asked Questions on Listed Buildings** through which list descriptions can be obtained.

Please note however that any list description is a means of identifying the building and does not list all significant features of the building. Listing legislation covers both the interior as well as the exterior, and any buildings that were in the curtilage at the time of listing. If you are considering any works to a listed building then you are advised to contact the Design and Conservation Team at the earliest opportunity to discuss the appropriateness of any work and whether it will need listed building consent.
