SCHEDULE 1

PART I - THE SCHEME

- 1** Parents will be invited to make their applications online. A standard form known as the Common Application Form (CAF) will be available to parents on request.
- 2** The online application process or CAF must be used as a means of expressing up to three preferences for the purposes of section 86 of the School Standards and Framework Act 1998, by parents resident in the LA area wishing to express a preference for their child-
 - a) to be admitted to a school within the LA area (including VA schools and academies);
 - b) to be admitted to a school located in another LA’s area (including VA schools and academies).

- 3** The online application process or CAF will –
- a) invite the parent to express up to three preferences by completing the form, including, where relevant, any schools outside the LA's area, in rank order of preference.
 - b) invite parents to give their reasons for each preference.
 - c) specify the closing date and where it must be returned to.
- 4** The LA will make appropriate arrangements to ensure:
- a) parents to apply on line for a school place;
 - b) that the CAF is available on request from the LA, from all primary and secondary schools in the LA area, online; and
 - c) that details of the co-ordinated admissions scheme are available online.
- 5** The LA, with the co-operation of Doncaster schools, will take all reasonable steps to ensure that every parent resident in the LA area who has a child due to commence in a reception class of an infant school, or year 3 of a Junior school, in the specified year receives information regarding the application process and access to details of the co-ordinated admissions scheme.
- 6** All preferences expressed on the online application form or CAF are valid applications and will be considered in accordance with the published admission arrangements for the respective school.

Equal Preferences

- 8** This scheme shall be classed as an 'Equal Preference Scheme'. All applications will be considered against published admission criteria, but without any reference to how the school applied for has been ranked by parents. If an individual child can be offered a place at more than one school, a place will be offered at the highest ranked school at which a place was available.

Supplementary Information Forms (SIF)

- 9** An admission authority can require parents who wish to nominate, or have nominated, their school on the online application process or CAF, to provide additional information on a supplementary information form (SIF) only where the additional information is required for them to apply their oversubscription criteria to the application. Where a SIF is required it must be returned to the school.
- 10** A SIF it will not be regarded as a valid application unless the parent has also completed an online application process or CAF and the school is nominated on it. Under the requirements of the scheme, parents will not be under any obligation to complete an individual SIF.

Testing

- 11** No Doncaster primary schools operate admission arrangements that include criteria for selection by ability or aptitude. Where a parent applies for a school in another LA which does have a selection test (whether a test of ability or aptitude) as part of the school's admission arrangements, that admission authority should

ensure that parents are informed of the outcome of entry tests before they make their applications for other schools.

Processing of Common Application Forms

- 12** The closing date for applications is **15 January 2019**. The default position is for parents to apply online. Any completed CAFs received by schools must be immediately forwarded to the LA.

Determining offers in response to the Common Application Form

- 13** The LA will act as a clearing house for the allocation of places by the relevant admission authorities in response to an online application form or CAFs. The LA will only make any decision with respect to the offer or refusal of a place in response to any preference expressed on the online application process or CAF where-
- (a) it is acting in its separate capacity as an admission authority, or
 - (b) where it has been asked to act on behalf of another admission authority, or
 - (c) an applicant is eligible for a place at more than one school, or
 - (d) an applicant is not eligible for a place at any school that the parent has nominated, in which case the LA will allocate a place in accordance with the provisions set out below.
- 14** **By 9 February 2019**, the LA will have provided other LAs with all relevant details of every preference expressed for a place in a primary school maintained by them by a parent resident in Doncaster, and will have received from other LAs all relevant details of every preference expressed for a place in a Doncaster primary school by a parent resident in their area.
- 15** **By 9 February 2019**, the LA will have provided the admission authority for each Doncaster primary school with all relevant details of every preference expressed by a parent for a place at their school.
- “All relevant details” will include any SIF required in support of the application by the admission authority and received by the above date.
- 16** **By 13 March 2019** the admission authority of each Doncaster primary school will have considered all preferences expressed for a place at the school in accordance with the published admission arrangements for the school, and have provided the LA with a list of children ranked according to the school’s oversubscription criteria (published as part of the admissions arrangements) and confirmed those children eligible to a place.
- 17** **By 29 March 2019** the LA will have exchanged potential offers with neighbouring authorities.
- 18** **By 29 March 2019** The LA will have matched each ranked list against the ranked lists of all other schools in Doncaster and:
- Where the child is eligible for a place at only one of the schools preferred on the online application form or CAF, that place will be allocated to the child.
 - Where the child is eligible for a place at more than one school listed on the online application form or CAF, a place will be allocated at the school ranked highest by the parents on the online application form or CAF and,

- Where a child has not been allocated a place at all of the schools preferred on his/her online application from or CAF, a place will be allocated at a school determined in accordance with the provisions of Schedule 4.
- The LA will inform other LAs of the children of parents resident in their area who are eligible for a place in a Doncaster primary school and of those children not eligible together with the reasons for the unsuccessful preference.

19 **By 16 April 2019**, the LA will inform Doncaster primary schools of the pupils to be offered places at their schools.

20 **On 16 April 2019** parents will be sent a letter notifying them that they are being offered a place at the allocated school. This letter will give the following information:

- The name of the school at which a place is offered;
- If a place is not offered at any preferred school listed on the online application from or CAF – the reasons for the refusal;
- Information about the statutory right of appeal against any decisions made;
- Contact details to lodge appeals as necessary.

Applications received after **31 August 2019** will be dealt with as in-year transfers.

- 33** Provision is also made within the Fair Access Protocol to allow for the admission of specified groups of children into schools above the admission number including children of service personnel and crown servants. Full details are identified in the Protocol.

PART VII – FALSE INFORMATION

- 33** Where an offer of a place made under the scheme is found to be based on a fraudulent or intentionally misleading application which effectively denied a place to a child with a stronger claim to the place at the school, the offer of the place may be withdrawn where this provision is included in the respective admission arrangements of the respective admission authority.
- 34** In determining whether to withdraw the offer of the place, account will be taken of whether the child has commenced at the school and, if so, the length of time the child has been attending.

Measurements will be made using EMS for Windows provided by Capita Education Services and/or ArcView GIS provided by Environmental Systems Research Institute Inc or suitable substitute.
